ST CROIX SKINCARE IS EXCITED TO ANNOUNCE THE ARRIVAL OF:
HALO TRIBRID, HALO MOXI & BBL HEROIC SERVICES

LIMITED TIME PRICING, SHOP MARCH 31 TO APRIL 3

BBL HEROIC

The most Advanced BroadBand Light technology designed to correct **pigmentation, redness, sun damage, and visible signs of aging** while promoting long-term skin rejuvenation and healthier skin.

BBL FOREVER CLEAR

Advanced, non-invasive **acne treatment** that uses (BBL). This treatment is comfortable, safe for most skin types, and requires little to no downtime making it an effective alternative to traditional acne medications or topical treatments.

SKINTYTE

Non-Surgical Firming. If you're noticing mild to moderate skin laxity but aren't ready for surgery, **SkinTyte** offers a comfortable, non-invasive solution to restore firmness and improve skin elasticity with no downtime.

HALO MOXI

A gentle, non-ablative fractional laser targeting early signs of aging, sun damage, and uneven tone. Known as a **"prejuvenation" treatment**, MOXI is safe for all skin types, can be performed year-round, and requires little to no downtime, making it an ideal option for maintaining healthy, radiant skin or enhancing your overall skincare routine.

HALO TRIBRID

A next-generation hybrid fractional laser that delivers powerful, comprehensive skin resurfacing by combining three wavelengths in a single treatment. Designed to treat a wide range of concerns in **one session**, HALO TRIBRID offers dramatic, yet efficient skin rejuvenation with results that continue to improve over time.
